Dear Brother Knights

Now that spring is here and more vaccinations are taking place maybe we will get back to some sense of normalcy.

Thanks to everyone who has helped to keep our church functioning. It's been a difficult task not only for our parishioners, but for our priests as well. Thanks to all.

No meetings as of yet but we will keep chugging along.

God bless and stay safe

Financial Secretary

Dear Brother Knights and Families,

The third wave is upon us. The good news is that the vaccines are here. A few of our older members have been vaccinated which means if they are infected with the Covid-19 there is a less chance of it being severe. This still means we need to social distance and stay in our bubbles. The variants of the Covid-19 virus are now more prevalent and can infect younger people more severely. I know we are all tired of self isolating and not being able to socialize with friends and family, but this is not the time to let down your guard.

Some good news. Worthy Grand Knight Luc has had some heart surgery and is on his way to recovery. Please keep Luc and Libby in your prayers. Libby can visit Luc once a day.

I hear that different groups are having muskrat dinners and planning Good Friday Fish Fries, all with takeout of course. If things carry on for much longer, we may have to start to consider how we might do the same. It would involve preselling all the dinners than assigning pickup times to all the customers. Food for thought (yes, I intended that pun).

On a personal note, my youngest son Corey has started with an electrical company in London. Hopefully, he is well on his way in his chosen career. This means that Barb and I are empty nesters once again. Also, our oldest son, Willi and his wife Chelsea, are expecting their first child in August. This will be our second grandchild. Good times ahead.

There still a few members that need to pay there dues so please send to my home address or you can now e-transfer if you wish. You should all have your membership cards, and I included a letter letting you know how much your dues were.

Finally, as I write this, we have begun Holy Week. The masses for St. Peter's and St. Francis are posted on the Tilbury Catholic web site The schedule for which will be web cast is there as well. Remember that Christ died on the Cross for our sins. Please try to observe at least some of the services this week to honour Him for that.

God bless you all and keep you safe,

Chancellor Report

Dear Brother Knights

Easter is almost here and I want to wish you and your family a blessed and Happy Easter.

As we spend another Easter with the COVID-19 restrictions I look forward to the future when we no longer have to limit our contacts. I think if anything the virus has shown us what is really important in our lives, our family and friends. How I miss them.

Please keep in your prayers our Grand Knight Luc Gagnier who is home recovering from surgery. A get well card had been sent.

Also keep in your prayers my daughter Gisele Bellemore who is in the hospital after having suffered a heart attack last week.

Please remember all those who are sick or in distress. May we pray and give them support in their time of need

Please notify me if you hear of any of our members or their families who have died, are sick or in hospital.

I can be reached at 519-365-7294 or emilybb231@gmail.com

Knights of Columbus
Corpus Christi Council 11891
St. Patrick & St. Peter's

Because of the COVID-19 virus, the Knights of Columbus have been unable to raise money for the many great causes we support in the community. Due to a generous donor, we are in possession of the board game **PHARAOH'S QUEST**.

PHARAOH'S QUEST

PREFACE

Almost 4,000 years ago, Egypt's Sixth Dynasty collapsed, and the nation fell into a decline that lasted hundreds of years.

In its weakened state, it attracted invasions. One of these was undertaken by the Hyksos – who easily defeated the disorganized and demoralized Egyptian armies.

But after about a hundred years of Hyksos domination, the Egyptian princes of Thebes united to expel their conquerors. They drove the Hyksos out of Egypt and pursued them into Palestine. After several years of battles and sieges, the last of the Hyksos were defeated, and Egypt rose to a greatness that lasted for centuries.

Pharaoh's Quest is a game of strategy. The Pharaohs may have used such a game to teach their generals and field commanders the use of chariots and foot soldiers in defending against invading armies. It is intended to duplicate, in your living room, the decisions of battle faced by those ancient combatants.

The game is available immediately upon ordering, no waiting, and would make a great Christmas gift for the **board gamers** in your family.

All proceeds will be shared between St. Patrick's Church and St. Peter's Church.

COST: \$10.00 each

HOW TO ORDER for pickup at St. Patrick's

PHARAOH'S QUEST has been given the PARENTS' CHOICE AWARD

When You Let Your Guard Down

Often it seems that things happen when we least expect it. In case you are thinking about the misfortunes of Covid and the lack of socialization with your family and friends, please re-read the first sentence again.

I was thinking about all the good things that happen when we least expect it. Sometimes it is disguised in a disappointment, but often the blessings are reoccurring and when we least expect it is when we let our guard down and allow God to work or more recognize His wonders in our lives. When I recognize the blessing, most often I realize that either the blessing may have come sooner if I had allowed it, or that it has come sooner, and I had not been noticing it. It is probably because I am so busy trying to do what God wants me to do – taking care of the everyday business of life, that I miss what God has been gifting to me all along.

Let your guard down so God can show you (or remind you) of the wonders He wants for you.

Happy Easter,

God Bless, keep safe and well.

Bingos

A new format has been started at the Riverview Bingo Palace and there is no longer individual club bingos. Each organization works 2 hour sessions a couple of times of month. Both our council and St. Peter's Parish are looking for more volunteers to work these sessions. If you are interested in learning more please call Stan Powell at 519 401-2034. If we can get a few more people we may be able to get more sessions and thus generate more money to help with the church and its ministries
