Well another month has gone by, although February is a short month it still seemed to pass fast.

Church is now open again, that is a welcomed sign that things are going in the right direction. One day we will get back to normal. It can't come soon enough and I am sure everyone feels the same.

Thanks to all of you who were able to get their dues paid, not an easy task.

Stay safe and keep the faith.

Dear Brother Knights and Families,

Same old same old! Yes, we still have the pandemic, but we are back being able to attend masses. Please register online if you wish to attend. If you are looking at Sundays, you will have to register on Saturday and if you wish to attend St. Peter's on Tuesday night you will need to register on Monday. For St. Francis Sunday registration is the same as St. Peter's, Saturday and for Wednesday masses it would be on Tuesday. Here is the link below if you are interested.

<https://tilburycatholic.ca/on-line-mass-registration>

Go to the bottom of the page to register.

Now for what I have been up to the last month. Fortunately, we have sufficient cold weather that we were able to get out on the Thames River and ice fish. I was joined on many occasions by Brothers Tom Landschoot, Paul Bonneau, Bob Phaneuf and Richard Peltier. Also, Tom's wife, Rose, and fellow Knight Richard Roelandt also came for a night. My son in law Jordan and Brother Paul's future son in law Brody also joined us. I think for most of us this has been the best winter for walleye in many years. We also caught lots of large yellow perch. As I write this the weather has turned mild and though the ice seems to be still good, we have taken a break just to be safe. It was a great time where we could get outside and enjoy each others company safely. I have included some pictures of the fish caught.

I would like to thank all those Knights that have paid their dues for this fiscal year. Right now, I have 31 knights who have outstanding dues. You should all have your membership cards, so drop off or mail as soon as you can. I think I was asked earlier whether I would accept e-transfers. At that time, I said no but if it does help some you I will now. Use my email address to complete the transaction. Thanks to Brother Bob Gevaert for this suggestion.

I guess most importantly we are in the time of Lent. It is the time where we reflect on the sacrifice Jesus Christ made to forgive our sins. I always looked forward to attending the Stations of the Cross. Hopefully, we will be able to set something up to do something this year as well, possibly before our weekday masses. I will keep you updated.

Chancellor Report

Dear Brother Knights

As I write this message they have just approved another vaccine. I look at this as one step closer to getting together again, being able to raise funds to support our charities and projects for our churches. We're not there yet but at last we can see a better future.

As Father Francis use to say "God is good" and we would answer "All the time". Let's keep this in our prayers as we go forward.

This month I have not heard of any deaths, illnesses or hospital stays. I hope this means you are all well.

This month we celebrate St. Patrick's day. St. Patrick's Day is a cultural and religious celebrations held on March 17th the traditional death date of St. Patrick the foremost patron saint of Ireland. St. Patrick's day was made an official Christian feast day in the early 17th century and is observed by the Catholic Church, the Anglican Communion (especially the Church of Ireland), the Eastern Orthodox Church and the Lutheran Church. The day commemorates Saint Patrick and the arrival Christianity in Ireland.

Did you know that St. Patrick's Day is celebrated in more countries than any other national festival.

Stay safe my friends

Knights of Columbus
Corpus Christi Council 11891
St. Patrick & St. Peter's

Because of the COVID-19 virus, the Knights of Columbus have been unable to raise money for the many great causes we support in the community. Due to a generous donor, we are in possession of the board game **PHARAOH'S QUEST**.

PHARAOH'S QUEST

PREFACE

Almost 4,000 years ago, Egypt's Sixth Dynasty collapsed, and the nation fell into a decline that lasted hundreds of years.

In its weakened state, it attracted invasions. One of these was undertaken by the Hyksos – who easily defeated the disorganized and demoralized Egyptian armies.

But after about a hundred years of Hyksos domination, the Egyptian princes of Thebes united to expel their conquerors. They drove the Hyksos out of Egypt and pursued them into Palestine. After several years of battles and sieges, the last of the Hyksos were defeated, and Egypt rose to a greatness that lasted for centuries.

Pharaoh's Quest is a game of strategy. The Pharaohs may have used such a game to teach their generals and field commanders the use of chariots and foot soldiers in defending against invading armies. It is intended to duplicate, in your living room, the decisions of battle faced by those ancient combatants.

The game is available immediately upon ordering, no waiting, and would make a great Christmas gift for the **board gamers** in your family.

All proceeds will be shared between St. Patrick's Church and St. Peter's Church.

COST: \$10.00 each

PHARAOH'S QUEST has been given the PARENTS' CHOICE AWARD

From Our Deacon

Recently I was feeling a little sorry for myself. It had been many months since I saw my daughter or my grandson. In fact, I realized, it was October since I saw either of my girls (in person). While I was wallowing in self-pity, I recognized the hardships and tragedies endured by other people around me. The challenges and disappointments in my life seem so insignificant compared to others.

I started to think about the words of Angela Merici, an Ursuline Sister and Saint who said among other things, to follow the words of Christ and live in his example which will result in her statement to “Be ready for big surprises”. I began to think about the events that result in being gifted a “big surprise”. Each one was preceded by a period of anticipation, uncertainty and in some cases even darkness in my life. There is an expression that says “the brightest sunrise comes after the darkest night.”

Allow the Lent season to cast its own shadows, so that Easter will be the brightest it has ever been in your life. Allow the self-denial of Lenten observances to set the stage for a magnificent Easter Sunday Sunrise. Don't rush the anticipation, allow it to make the event exceptional when the time comes. The time will come.

God Bless, keep safe and well.

Bingos

A new format has been started at the Riverview Bingo Palace and there is no longer individual club bingos. Each organization works 2 hour sessions a couple of times of month. Both our council and St. Peter's Parish are looking for more volunteers to work these sessions. If you are interested in learning more please call Stan Powell at 519 401-2034. If we can get a few more people we may be able to get more sessions and thus generate more money to help with the church and its ministries
